NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

For a number of years now there have been a great many people interested in coming up with some means of paving the south end of Avenue E that runs by the City Park Golf Course Road.

It looks like a plan has been worked out between the City and the Board of Community Development that could get this project underway.

While most of Hamlin uses this street at one time or another, there is no one that lives on it to pay for the paving and since the street is inside the city limits it does not qualify for county aid nor can it be paved under the Farm to Market program. Many people working at Celotex use the street as do most of the people going to the golf course. It is also used to get to the park and the swimming pool and if it were paved it would cut down a great deal on the dust problem at football games.

The plan that is in the mill now calls for the City to do as much of the ground work as possible and local employees of the Texas Highway Department have volunteered to do the engineering.

Present guesses on the project predict that there will have to be about \$4,000 raised to pay for the paving and other expenses.

It is hoped that this money can be raised by donations from the people that use the street and those that are just interested in helping out. At the present time anyone wishing to donate can give their money to Joe Ford at the bank.

We suspect that there are still some football fans trying to figure out why some of the Hamlin players are wearing those vests over their uniforms when we are putting in.

The vests are used to change a boy's number from a series worn by backs and ends to one worn by linemen. A few years ago a rule was passed that requires backs and ends to wear either numbers 40 and below, or 80 and above with linemen wearing the numbers in between.

The rule was passed to eliminate the tackle eligible play where an end was dropped off and the tackle becomes eligible for a pass.

In going for better punt coverage the local coaches are using more of their faster players on punting situations so that they can get down field with the ball. Since most of the faster boys are backs and ends a way was needed to change their numbers so they could play in the line.

We noticed in Kathryn Duff's column in the Abilene Reporter News that she ran into a generation gap when she started talking about "running boards". This brought to mind a column in the Hamlin Herald News by J. Louis Evans.

It seems that Evans ran into a similar problem with his kids over such words as "Rinktums", "hully gully", "400" and "root the peg".

Jay, as he is better known, says "No wonder Texas ranks 51st or 52nd or whatever it is in education. . . we ain't teachin' our kids nothing."

We failed to check out any of these words with our own boys so have no way of knowing just yet if this gap in the educational opportunities of the younger generation has reached all the way here from Hamlin or not.

But like Jay, we doubt with the current fad of sideburns if there is really any need to worry too much about the loss of "rinktums." In many parts of the country we suspect that this word has gone the same way as haircuts.

Leading cotton growers heard a detailed report in Stamford recently on the \$13 million research and promotion program of Cotton Producers Institute and the National Cotton Council. Among those attending from the Hamlin area were (left to right) W.R. "Bill" Smith, Richard Young, and Audrey Hodnett. The National Cotton Council provides the staff and facilities CPI's dollar-a-bale program.

City to Start Landfill Operations Wed.

The City of Hamlin, in order to comply with the no burning of trash order of the Texas Air Control Board, will begin landfill operations

Hamlin Hosts District FFA Meeting Monday

Approximately fifty FFA members and advisors from thirteen schools in the Stamford FFA District met Monday afternoon for a Stamford District FFA meeting at Hamlin High School. Schools represented were Anson, Aspermont, Hamlin, Haskell, Hawley, Hobbs, Lueders-Avoca, McCauley, Paint Creek, Roby, Rotan, Rule and Stamford.

Mr. Bill Holtzapple, Beef cattle specialist from the Texas Education Agency, gave a program on the importance of proper identification for beef animals.

Plans for the 1969 Stamford District Leadership Contests were discussed. The contests will be held at Hamlin High School Wednesday, Nov. 12.

Doug Upshaw, Area II Vice-President from Roby, discussed the Area II FFA Leadership School which was conducted this summer at Fort Davis.

FFA members decided to publish a district newsletter this year. Each chapter is to send in information of planned activities for the year. Then a list of these activities will be printed and sent to each individual chapter in the district.

FFA members voted to change the name of the district to the Double Mountain District. The name change must be approved by the Area Supervisor before it is final.

FFA members from Hamlin attending the meeting were Charlie Sellers, district treasurer; and Carlos Gonzalez, Gary Ledbetter, and Larry Collins, voting delegates.

The District banquet will be held in Aspermont the last Tuesday in April.

JUNIOR HIGH DOWNS ANSON 28-0

Junior High eighth grade team defeated Anson Cubs here Tuesday evening 28-0. Outstanding for the local boys were David Willis, Raul Morales, Jim Johnson and Ray Seifert.

The seventh grade will play Anson here today (Thursday) at 5:30 p.m. There will be no admission charge.

Tuesday evening the Hamlin Junior High teams will play at Rotan. The seventh grade game will be at 5:30 and the eighth grade at 7.

here Wednesday, Oct. 1, says Mayor Hollis Madden.

The site for the landfill has been donated by A. E. (Buddy) Killion on the McCauley Road. The present City Dump will be closed.

The City Council has worked out the following pay plan for those who live outside the city limits and use the City dumping area: \$1.00 per pick-up load; \$2.50 to \$5.00 per truck load, depending upon the load.

The new landfill operation will be in a trial stage for a time, the mayor noted and changes may have to be made later.

The new location will be open from 8 a.m. to 5 p.m. and until noon on Saturday. After hours the area will be locked.

LIONS REPORT MOST SUCCESSFUL BROOM SALE

The annual Lions Club Broom Sale completed here Tuesday evening was a tremendous success this year, according to Chairman Charles Hilburn. He expressed his appreciation to the citizens of Hamlin for their part in helping the needy blind.

The sale this year exceeded last year's sale by sale reaching \$1862.

The local club keeps 25 percent of the sales for their local service projects and the balance of the money goes to The Lighthouse for the Blind organization.

Defoliant Program Planned Tonight

Mobil Chemical Company, under the local sponsorship of Hamlin Flying Service, will present a program on Para-Quat Defoliant tonight (Thursday) at 7:30 in the Jaycee Community Building.

All cotton farmers and interested persons are invited. Refreshments will be served.

RAINFALL TOPS 3 INCHES IN WEEK

Rainfall during the past week topped three inches, measured at City Pump Station. Total measured since Sept. 17 was 3.21.

Rain was recorded on the following dates: Sept. 17, trace; Sept. 18, 2.62; Sept. 21, trace; Sept. 22, .05; Sept. 23, .54.

Visiting here last week with Elmer Feagan at Hamlin Memorial Hospital were: a sister, Mrs. John G. Prude of Del Rio; a son, Richard of Midland and a grandson, Ricky Feagan of Texas Tech.

P-TA to Open Magazine, Herald Sales

The Hamlin Elementary Parent Teachers Association will sponsor the annual magazine and Hamlin Herald drive Oct. 10-20. Junior high students will be selling subscriptions to popular magazines and the Herald. Elementary students will sell subscriptions to the Herald.

The PTA receives a commission on each sale and the students will be working toward prizes.

Proceeds from the money making drive will be used for the organizations projects during the year.

Clinton Barrow Retires As Veterans Service Officer

Clinton Barrow, Veterans County Service officer for the past 18 1/2 years, has announced his retirement effective Sept. 30.

The Commissioners Court appointed A. V. "Blue" Womack of Anson his successor.

Barrow has served veterans, widows and orphans in the county in offices in Anson on Monday, Wednesday and Friday, Stamford on Tuesday and Hamlin on Thursday. Womack will follow the same schedule and will be in Hamlin from 8:30 to 4:30 each Thursday.

Barrow has not announced any plans for the immediate future. His wife is secretary for the City of Hamlin. They reside at 242 N. W. Ave. A.

Methodist Youth Set Cream Supper

The Youth of First United Methodist Church will sponsor an ice cream and cake supper Sunday evening at 8 p.m. following the evening worship.

The public is invited to attend. Serving will be in the Fellowship Hall. No charge will be made but donations will be taken. Proceeds go for the Youth work.

Dates Set for JC Carnival In Oct.

Dates for the annual Jaycee Carnival have been set Oct. 27, 28, and 29. Scotty Knox is general chairman.

Rides will be set up on the F & M Bank parking lot west of the bank. Booths and concessions will be manned by the Hamlin Jaycees and Jayceettes.

Jaycees Set Trap Shoot Here Sunday

The Hamlin Jaycees will sponsor a Trap Shoot Sunday at 1 p.m. two miles north of Hamlin at the north end of the Hamlin Airport runway.

Pipers to Host Cisco Here Friday

Coming off of a 21-8 win over the Clyde Bulldogs, the Pied Pipers will host their first home game of the season Friday night with the Cisco Lobos. Kickoff time in Piper Stadium will be at 8.

The highly rated Lobos will be fresh from their 28-15 victory over Albany. Coach Joe Youngblood told the Booster Club Monday night that the Lobos will be one of the toughest games we will play this season.

In commenting on last week's game with Clyde, Youngblood said that they were a young team and were not a fair test of the game the Pipers have ahead of them. He said that you can not give up the ball seven times on fumbles and beat a good team.

Youngblood said that his charges looked better on defense and singled out linebacker Jerry Braley for special praise for an outstanding job.

He also said that Gary Smith and Greg Perrin would miss the game this week but should be ready for the first district game the following week. Smith is still having trouble with his knee that was operated this summer and Greg hurt his knee against Clyde.

The Lobos operate from the same offensive and defensive formations as used by the Pipers and are a big, fast team that pursues well and likes to gang tackle.

Probable starters for the Lobos will be Mike Farmworth, 160, and Mike Benton, 165, at ends; John Hammett,

B Team to Play Roby Saturday

After having their game with Wylie rained out last week, the Piper B Team will open their season Saturday night against the Roby Lions at Roby. Roby defeated Trent last week 47-0.

In Junior High action, the seventh grade will host Anson here tonight (Thursday) at 5:30. The seventh and eighth teams will play at Rotan Tuesday with the first game starting at 5:30.

The B Team with Wylie has been reset for Oct. 2.

The women of Oak Grove Baptist Church will play in a baseball game Saturday, Sept. 27, at 3 p.m. in the Pony League Park.

The Junior Mission will operate the concessions. The public is invited.

The main problem in control is early detection, says Clayton. Control is easier and less expensive when the worms are small. Since the worms leave only the midribs of the leaves, the infested spots may take on a silvery appearance. If spots are noted where plants have lost their green color, better make a close check for the small worms, advises the county agent.

Jackson-Wassel Vows Exchanged

Mr. and Mrs. W. S. Jackson are announcing the marriage of their daughter, Polly Jean, to Joe Edward Wassel. The couple, both teachers in Victoria High School, were married Saturday in the home of a Baptist minister, Rev. Charles Gilbert, who performed the ceremony.

The bridegroom is the son of Mrs. Macel Woods of Lawton, Okla.

Mr. and Mrs. Jack Harris were the honor attendants.

Given in marriage by her father, the bride wore a street length white silk brocade dress with empire waistline accented with pearls on the bodice and long puffed sleeves of silk organza.

The reception was held in the home of Rev. and Mrs. Gilbert.

The bride is a graduate of Hamlin High School and received a bachelor of arts degree from Hardin-Simmons. She teaches junior English.

The bridegroom, a graduate of Lawton High School, received a bachelor of music education from the University of Houston. He is assistant band director at Victoria High School.

The couple resides at 4803 Lilac in Victoria.

1970 Hemi-Cuda.

This year, there are 10 new Barracudas. And we've changed the looks substantially. (We've packed a 426 Hemi engine under a "Shaker" hood on one of them and called it the Hemi-Cuda.)

However you look at it, our Barracuda is all-new. We've moved it two inches closer to the ground. Pushed the wheels farther apart on our standard torsion-bar suspension. Put a tough optional bumper on the front that comes in most paint colors. And given the interior the design and comfort of a jet cockpit.

If you want a car that makes it . . . Plymouth makes it.

1970 Sport Fury Brougham.

Here's our luxury model. (One of 28 Fury models with a new wide stance.) It's big enough inside to carry six adults in comfort. It's plush. But the price is still Plymouth. With a front seat that has individual adjustments for the driver and passenger, center armrests, and a reclining back on the passenger's side.

Of course, the carpeting is thick, the headlights are hidden, and the price is still Plymouth.

Whether you like your luxury in small packages, or as big as a 1970 Sport Fury . . . Plymouth makes it.

FORTY-FIVE YEARS AGO
(September 26, 1924)

The Strauss Dry Goods store is to get more room, that it has long needed. The Strauss building is now owned by John T. Day, whose two-story hardware house adjoins it on the north and so Mr. Day is coming to the rescue of his neighbor. A 65 foot extension is being constructed now. This will enable a little more than double the present space now enjoyed. When this addition is completed this will be one of the good brick business houses in Hamlin.

On Tuesday morning the Freshman class of '28 assembled in the class room for the purpose of organizing, and electing the class officers.

The following were elected. J. B. Adkins, president; Carl Smith, vice-president; Pauline Patterson, secretary; Truett May, treasurer; Lee Norris Jr., reporter.

Standing Committees, for colors, Pauline Patterson, Juanita Prowell, Milton Wilson. Motto, Carl Smith, Mahlon Nobles, Opal Cory. Social, Koleta Newsom, Emma Anderson, Kathleen Boyd.

We have twenty members in our class, which is the wisest, peppiest and best class in school. We are out for a good time as well as to learn, also on May 30, 1928, we will graduate, taking High school as we go.

TWENTY YEARS AGO
(September 23, 1949)

A bullet that crashed through the kitchen window of the Martin Barnett farm home about 12:30 Friday afternoon, whizzed within inches of Mrs. Barnett and came close to the 17-months-old son that he fainted.

The bullet, a 22 caliber long, shattered the window glass and fell to the floor after putting a dent into a metal refrigerator.

At the dining table at the time were Mr. and Mrs. Barnett, the baby, Mrs. Barnett's parents, Mr. and Mrs. S. J. King and Spurgeon King. The farm home is located one mile south of Hamlin.

D. W. Carlton, a neighbor, said he saw several men or grown boys near the Barnett house about that time. They were carrying a gun, he said.

The Barnett baby, Gerald, fell to the floor when the shot struck, and a doctor to whom he was taken said the child evidently had fainted from fright.

Enforcement officers are conducting an investigation to determine identity of the person or persons who fired the shot.

Entering the game definitely as underdogs, the Hamlin Pied Pipers surprised the heavier Spur Bulldogs last Friday evening, when the visitors were held scoreless on the Piper field before an almost capacity crowd.

Joe Allen Dean, letterman quarterback, played outstanding ball throughout the evening and accounted for two touchdowns and

two conversions.

In the first quarter Goodgame recovered a fumble from the Bulldogs and placed Hamlin in scoring position. On the third down Dean grabbed the ball and placed it across the stripe for the first counter. Dean's try for conversion failed.

For the first touchdown of the second period Dean carried the ball across from the 10 yard line, where it had been placed after a series of line plunges.

In the second counter for the period Donald Green raced 23 yards to put the ball across. Dean again tried for extra point, and made it, to give the Pipers the 19 to 0 tally.

Final score of the game was by Asa Goodgame, left end, who received a pass from Dean and carried the ball across standing up.

TEN YEARS AGO
(September 24, 1959)

Shortage of cotton pulling labor in the Hamlin territory is slowing the harvesting of the cotton crop considerably, resulting in slow movement to the gins and a loss in quality of the staple to growers of the region, declare representative farmers in answer to queries by a Herald reporter.

But the farmers are not to be outdone. A majority of them are making arrangements to defoliate the rank growth of leaves, and use strippers and mechanical pickers as soon as they feel the crop has developed its maximum growth for the year. In fact, numbers of cotton farmers already have begun to put the strippers into their fields, and gins of the area are beginning to work longer shifts in order to keep ahead of the stream of cotton going to their yards. But so far the gins have kept up pretty well with the processing.

Junior High School Pep Squad is adding spice and color to the football games this year, declare leaders at the school. They are accompanying the football boys in games in the area.

Leaders for the Pep Squad are as follows: Barbara Lakey, head cheer leader; Pam Smith and Patricia Harkey, eighth grade leaders; Cherry Criswell, head twirler for eighth grade; Delia Nichols and Reha Law, seventh grade cheer leaders; and Jeannette Green seventh grade twirler.

Attesting to the high standards of the English department at Hamlin High School, headed by Mrs. Charles Scott, Superintendent of Schools C. F. Cook has been advised by the University of Texas at Austin that Gene Murff has made such a high grade in English aptitudes tests for entrance that he is exempt from English courses for the first semester.

Young Murff, son of Mr. and Mrs. Joe Murff of Hamlin, was an honor graduate last spring at Hamlin High School and received the \$100 scholarship award from the Jones County Heart Association for his work in science.

of his ministry as he served small rural churches. During the past 15 years, Rev. and Mrs. Trott both have worked very close with the development of the Lueders Baptist Encampment. Mrs. Trott has led in the G. A. Camps during much of this time.

The Trott's plan to move back to their home in Abilene after retirement in January. He will be available for supply preaching and interim pastor work. Also he plans to catch up on a lot of fishing and hunting during retirement years.

SCIENCE and GOD

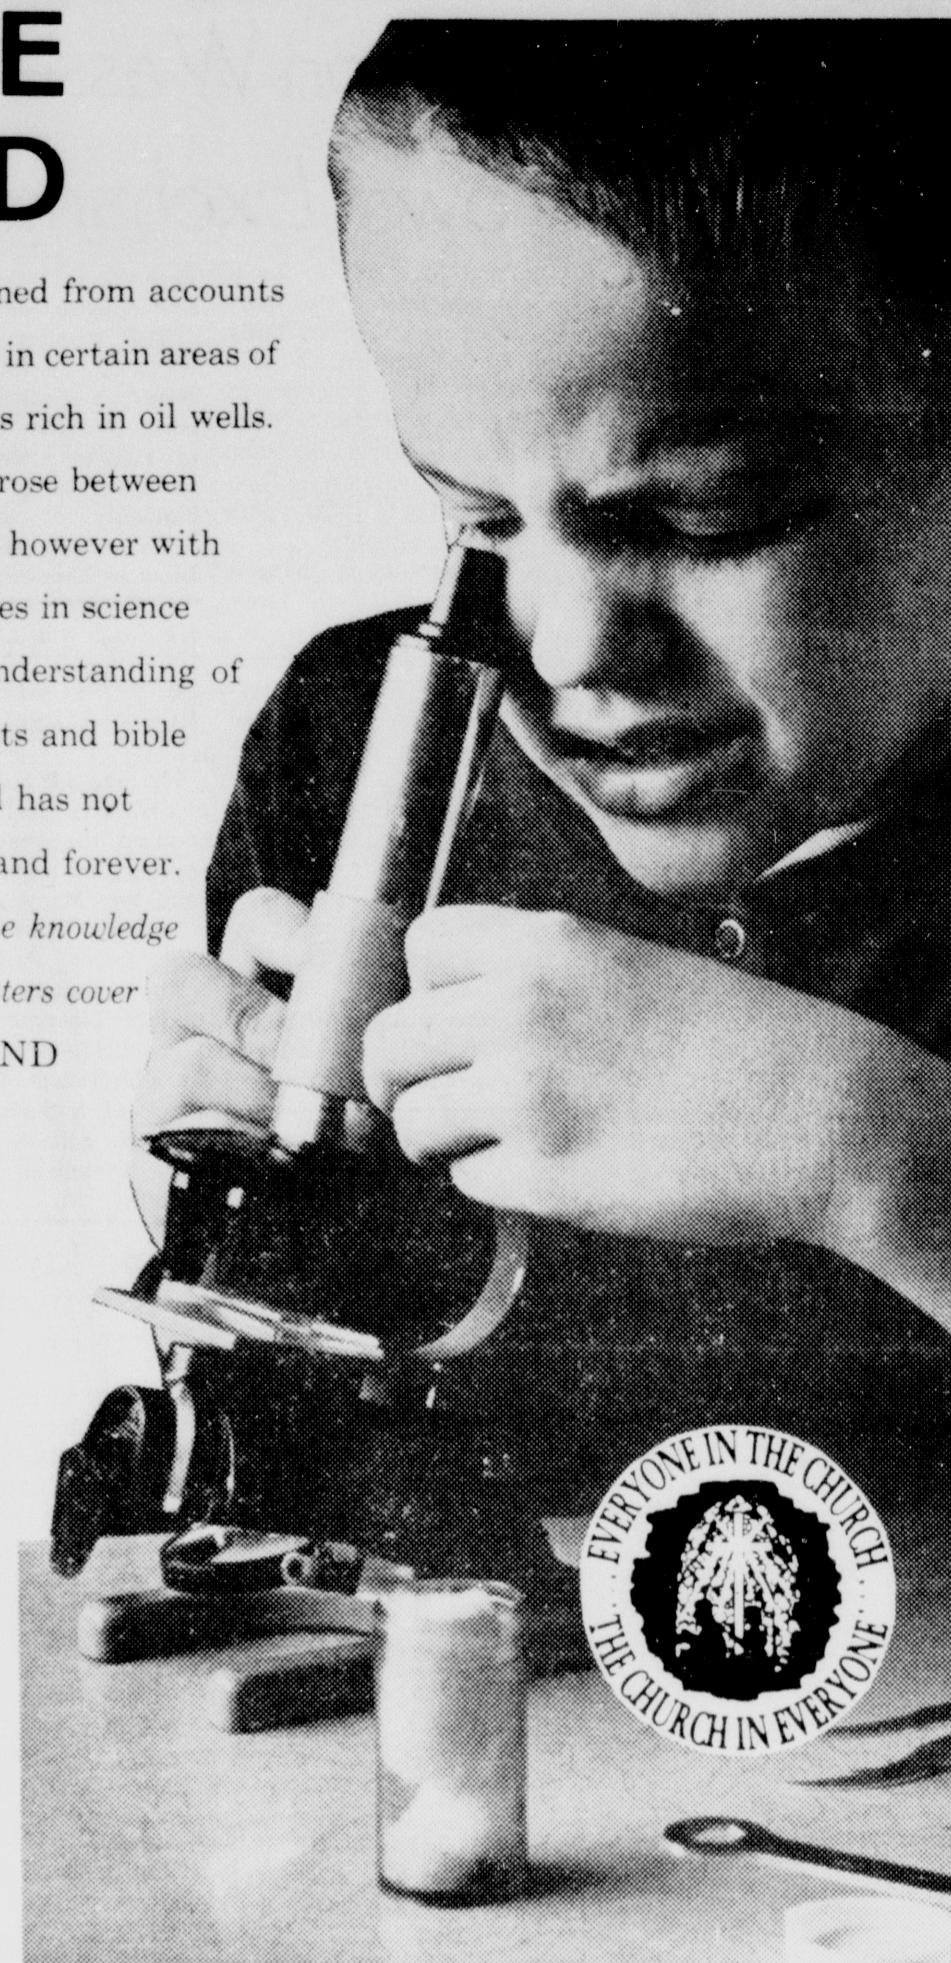

Not too long ago, a man determined from accounts in the bible that oil could be found in certain areas of bible lands . . . now this country is rich in oil wells.

In the past, vigorous arguments arose between some scientists and bible scholars, however with the passing of time, new discoveries in science have helped us to have a better understanding of God's word and now most scientists and bible scholars are in accord. God's word has not needed to be proved, for it will stand forever.

"For the earth shall be filled with the knowledge of the glory of the LORD, as the waters cover the sea." ATTEND CHURCH AND STUDY GOD'S WORD.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NEWS FROM . . .

Old Glory

By JUDY WHITE

Bill Wright and Supt. Dalton Gill met with other officers of the Stonewall County Unit of the Texas State Teachers Association last week to plan meeting dates for the year and have announced the following dates, October 6 at 7:30 p.m. February 23, 4:30 p.m. and May 11, 4:30 p.m. All meetings will be held at Frazier's Cafe in Aspermont according to their announcement.

Mr. and Mrs. Travis Beil attended the funeral of one of his cousins, Mrs. Nort Cole, in Stamford last Saturday.

They also received word of the death of another relative, Noble Glover in Pecos. Mr.

Glover's wife, the former June Hale, was formerly a resident of this community.

Mr. and Mrs. Raymond Gerloff of Abilene were here Sunday visiting his mother, Mrs. Katie Gerloff. They also visited Mrs. Laura Hamlin and children in Aspermont.

Mrs. Bernice White accompanied County Supt. Thelma Smith to a workshop at the Education Service Center in Abilene last Tuesday.

Supt. Dalton Gill also attended the meeting. Mr. Gill attended another meeting that evening. The second meeting was a District 14 T. S. T. A. Leader's Conference. He served as chairman for the Professional Rights and Responsibilities Committee. Mr.

Gill left Sunday to attend the annual Administrators Conference in Austin.

Tim Jennings, who has been attending a special school in Houston for several weeks, was here visiting home folk last weekend. Mrs. Jennings and their children are here while he is in school. The Jennings' home is in Utah.

Mrs. Lena Mae Shad of Fort Worth spent the weekend here visiting in the home of her brother and his wife, Mr. and Mrs. Travis Beil.

'Extra Hours' to End for Social Security Office

The "extra hours" service on Tuesdays at the Abilene social security office will end September 30, according to word from R. R. Tuley, Jr., district manager.

"The number of callers at the office between 5 and 7 p.m. has decreased well below the minimum felt necessary to justify the cost of keeping 4-5 persons on duty those overtime hours," he explained.

The service was begun in mid-1967 as an accommodation to persons nearing 65 who found it inconvenient to get to the office during normal 9-5 hours.

They're just for you. The cars you've been asking for. From Buick 1970

This one is the GS 455. Sleek, sporty, exciting.

Its engine? 455 cubic-inches. 350 horses strong. With a four-barrel carburetor that breathes through real air-scoops.

Four on the floor? A finely tuned 3-speed automatic? Both are available. Power disc brakes. Positive traction differential. High performance rear axle ratios, too. And lots more.

Wide-tread fiberglass belted tires that are standard on all 1970 Buicks give improved traction during braking, cornering and acceleration; significant increases in tread life, and substantially superior resistance to road hazards.

Side guard beam construction for added protection. Body by Fisher.

There's luxury, too. Bucket seats, if you want them. Full carpeting.

Obviously the most exciting car we've ever made.

And one that you've been asking for.

MARK OF EXCELLENCE

Hamlin High Happenings

Piper Patter

by Toni Casey
Thomas Goolsby
Mary Wallace

The Pied Pipers journeyed to Clyde Friday to capture their first win. We really bumped the Bulldogs with a score of 21-8. It was an exciting game, and our boys played well. Robert Bolden made all three touchdowns. Gary Smith, who had been "sidelined" during preschool' workouts and the first game because of injuries, made two points on a pass from Charlie Shira. Duane Stewart kicked the extra point. A pep rally was held Friday in the high school practice

gymnasium. This week we play Cisco for our first home game. The game will be played Friday. Kick off time is 8 p.m. We all feel very confident of a victory.

anne Rowland, Debbie Woolf, Johnny Howard, and Rickey Gruben.

The officers for this year's Student Council, who were elected last spring, are Gary Smith, president; Bill Hodnett, vice-president; Marcia Steele, secretary; Peggy Jones, treasurer; and Greg Perrin, reporter.

The Spanish Club held their first meeting Sept. 16 in the high school cafeteria. The purpose of this meeting was to get the club organized. Officers elected were Tony Lewis, president; Darrell Craig, vice-president; Toni Casey, secretary; Keven Mehaffey, treasurer; Susan Patterson, reporter; Kathie Christian, pianist; and Debbie Elmore, song leader.

The members talked about going to Abilene for a Mexican dinner. They also talked about their dues and about the Spanish Club held their first meeting Sept. 16 in the high school cafeteria. The purpose of this meeting was to get the club organized. Officers elected were Tony Lewis, president; Darrell Craig, vice-president; Toni Casey, secretary; Keven Mehaffey, treasurer; Susan Patterson, reporter; Kathie Christian, pianist; and Debbie Elmore, song leader.

The first FFA meeting was held last week to distribute the yearbooks, pay dues, and discuss business. During the business portion, the members decided to have a bake sale. Saturday, Sept. 20.

FHA pins were given to new

members during the formal initiation. Latrese Williams presented President Marcia Steele with a gavel pin. The meeting was adjourned after the FFA Creed was repeated.

The FFA bake sale held Saturday in front of the bank was reported a success.

Neinda Philosopher Says World Needs A Commissioner of War to Determine Who Has Won

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One once more has his mind on war, his letter this week indicates. Dear editor:

I hadn't paid much attention to it, you let a man try to keep up with everything on earth and he'll wind up not knowing much of anything for sure, but according to a copy of The Reporter-News I picked up on the road near this farm yesterday in an effort to keep America beautiful, Israel and Egypt have been fighting off and on for the past couple of years, and this almost floored me.

Why it was only two or three years ago that Israel whipped Egypt in exactly six days, I remember reading about it and how all the world was excited over how fast Israel won and how whipped Egypt was, and yet here they are fighting again.

You mean to say wars these days are like the pennant race in baseball, if the games dragged on into winter and then on into next year and the year after that, the fans, given no chance to whoop and holler, would gradually lose interest. Sooner or later somebody is supposed to win, squirt champagne around the locker room, take the trophy and go home for a while, but dragging the fight out forever sure gets monotonous. It puts a strain on the gate receipts.

In case Congress is looking for a High Commissioner of War to set up some rules and get some dependable won-lost statistics, I would like to say I'm not a candidate. Yours faithfully, J. A.

J. W. Gay, editor and publisher of the Moody Courier for the past 31 years, died Sept. 17. He was a brother of Miss May Gay and Mrs. E. N. Jenkins, both of Hamlin. Gay had announced the sale of the Courier July 20 but he had remained with the paper as general manager and editor with one of the new owners, John Sellman of Mart, as publisher.

New Styling Features for Plymouth GTX

PREMIUM PERFORMER — Plymouth's most completely equipped intermediate-size performance car for 1970 is the GTX, which has new front, rear, and body-side styling features. All-new interiors include high back bucket seats with integral head restraints and wood grain instrument panel with con-

venient rallye cluster. The performance tape stripe on the body side is exclusive to GTX. A new 440-cubic-inch 6 barrel V-8 is optional, as is the famed 426 cubic-inch hemi engine. Other intermediate-size Plymouths are Belvedere, Satellite, Sport Satellite and Road Runner.

County Gold Star Award Winners Are Announced

Patti Byers of Noddle and Richard Rowland of Anson have been named winners of the Jones County Gold Star Awards, according to an announcement this week from County Agent Kirby Clayton and Home Demonstration Agent Mary Newberry. Patti is the sixteen-year-old daughter of Mr. and Mrs. Charles Byers and has been a 4-H Club member for eight years. She has carried demonstrations in Foods and Nutrition, Clothing, Money Management, Leadership, Livestock, Food Preservation, and Electricity. She is a junior in Noddle-Horn High School.

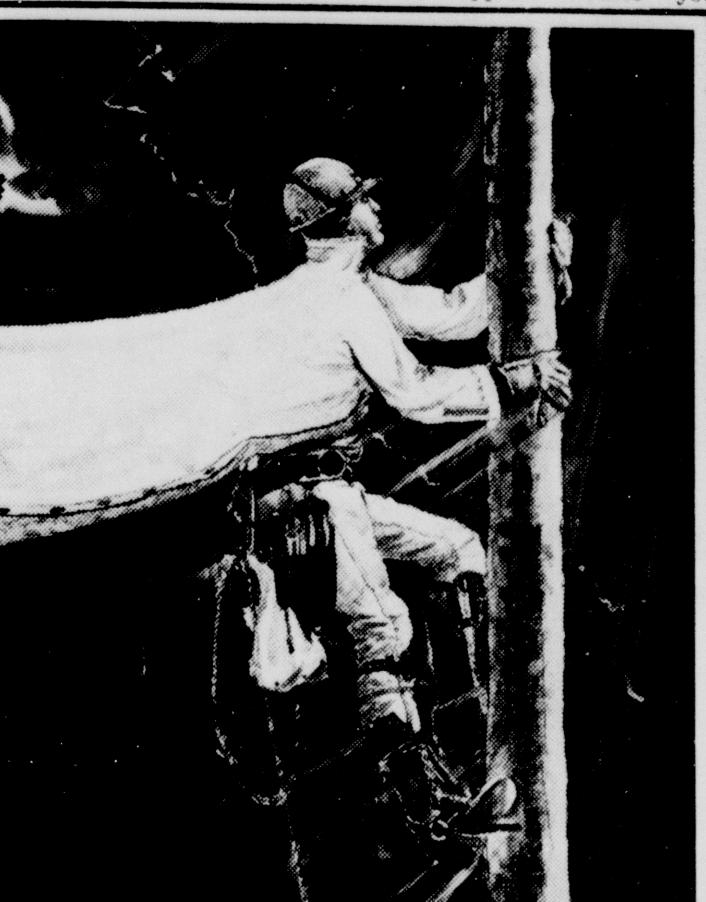

Richard is the 14-year-old son of Mr. and Mrs. Brad Rowland and has been in 4-H work for five years. He has exhibited champion dairy cattle and sheep in the county shows and at the county fairs and has won one Showmanship Award.

The Gold Star Award is given by the Texas A&M University Extension Service and is the highest honor that a 4-H Club member may receive on a county level.

women bring out the best in this man!

Rowdy gals like Carla and Beaulah have made him a legend in his own time. When Hurricane winds blow in off the Gulf of Mexico... he and 900 stout fellows like him are available to help rebuild lines, replace equipment and restore service. When vicious ice snaps poles like toothpicks, he packs his climbing irons and heads for the troubled area. He works for an independent member-owned electric cooperative. But when his neighbor is in trouble he stands ready to help. It is service such as this that has established the reputation of the Midwest Electric Cooperative and is helping Texas grow.

ROBY -- TEXAS -- SNYDER

Walk in, America.

Top of the line Kingswood Estate Walk-in.

You'll have a hard time finding a wagon as easy to get into as a 1970 Chevrolet.

Try it sometime. Climb into any other wagon, then climb into one of ours.

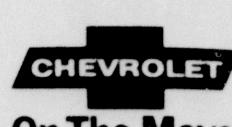

Chevrolet wins in a walk.

With a dual-action door that swings open without any jutting hinges.

With a rubbered stair built right into the bumper.

With a roof that slants thoughtfully forward so you won't hit your head.

Look into a walk-in at your Chevrolet dealer's. Putting you first, keeps us first.

SHORT SNORTS — Governor Smith and Senator Yarborough are united in defense of tax exempt status for state and local bonds.

Liquor Control Board will make new rules covering collection of taxes on mixed

drink (in private club) before the levy goes into effect October 1.

Many Texas nursing homes are withdrawing from medicare program because of government red tape, according to an association spokesman.

We are ready!

If and when disaster strikes, thousands of telephone men and operators, and tons of equipment are available to help restore communications.

Emergency phone service for police, hospitals and city officials is the first order of action. Then attention is turned to

customer telephones that may be crippled.

It's a job we would rather not have to do. But when necessary - whatever the emergency... floods... hurricanes... tornadoes - we're ready. We may be the only phone company in town, but we try not to act like it.

Pipers Overcome Fumbles to Gain Victory Over Clyde, 21-8

It took the Pipers nearly three quarters to overcome their fumbles and put three scores on the board to down Clyde, 21-8, Friday night. The Pipers lost the ball seven times by way of fumbles with five of these coming in the first half.

The defensive unit had a good workout as the fumbles gave Clyde several good scoring opportunities but failed to take advantage of them.

Clyde fumbled the opening kickoff with Bobby McKissack recovering on the Clyde 28. Gaining a first down on the 18, the Pipers lost the ball to the Bulldogs on the 20 on the first of the many fumbles to follow. Clyde failed to gain and punted out to the Hamlin 40.

Three plays later Hamlin fumbled with Clyde getting the ball at their 42. Still failing to gain, the Bulldogs punted to the Hamlin 15. This

time the Pipers fumbled on first down and Clyde took over at the Hamlin 15. Four plays later the Pipers took over back on their own 28.

The Pipers moved out to the 39 before losing the ball on a pass interception with Clyde putting the ball in play at the Hamlin 48. The Bulldogs put together their only drive of the first half at this point, giving up the ball on the Hamlin 21.

The Pipers lost the ball two more times on fumbles before the half ended.

The Pipers opened up the second half on a bad note as they fumbled the kickoff.

Spencer Ford intercepted a Clyde pass on the two-yard line to kill the Bulldog scoring threat.

Bill Hodnett recovered a Clyde fumble on the Hamlin 38 that started the first scoring drive of the night.

Robert Bolden, Ford and Charlie Shira shared the ball carrying chores as the Pipers moved down to the five from where Bolden swept the end for the score. His two-point try was stopped.

After an exchange of fumbles at the start of the fourth period, the Pipers opened up their second drive with Ford moving the ball from the Clyde 42 to their 29 and Shira passing to Bolden for nine on the screen and then for 21 and the score. Shira passed to Gary Smith for the two-point try.

Clyde came back after the kickoff and moved 62 yards in seven plays to score. A 31-yard and a 14-yard pass were the big plays of the drive with the score coming on a one-yard plunge. The two-point try failed.

The Pipers drove 57 yards following the kickoff to score with less than a minute left on the clock.

Ford carried for gains of 9, 6, and 5 with Clyde drawing a 15-yard penalty to give the Pipers a first down on the 23.

Shira carried for four, Bolden 17 to the two. Four plays later Bolden went around his right end for the score. Duane Stewart kicked the point after.

Steve Teichelman intercepted a Bulldog pass in the waning seconds to end any Clyde threat.

Visits In Hawaii

Mrs. J. E. Beard has just returned from Hawaii after visiting a month with her daughter and family, Mr. and Mrs. V. L. Townley and Bob, in Honolulu.

During the program, Mrs. Donald Young gave a reading on the life of a pastor; Mrs. L. E. Warnell gave a reading on the life of a pastor's wife and Mrs. Joe Norton gave a humorous reading on "You Poor Old Thing."

Mr. and Mrs. Johnnie A. Woods are parents of a boy, Joe Don, born Sept. 23 at 5 a.m. He weighed 7 lbs. 7 oz.
